## ULTRASONIC HUMIDIFIERS THE LATEST IN HUMIDIFICATION TECHNOLOGY

We are pleased to introduce our new ultrasonic humidifier. The new humidifier features clean and hygienic mist (not steam). Rapid-mist humidifiers do not use heater so it doesn't have to wait for heating element to boil the water. The humidifier works on the principle of ultrasonic vibrations. A conventional humidifier with heating elements requires about 750 watts of electricity to humidify 1 liter of water, whereas rapid-mist humidifiers only require 100 watts to humidify 1 liter of water. Hence you get about 85% of electric saving by using our rapid-mist humidifiers. In addition, unlike Wetpads, ultrasonic unit are comparatively smaller in size and produce significant amount of vapor.

The biggest advantage of rapid-mist is the energy saving. Compared to steam canisters and infrared Humidifier, rapid-mist requires about 80-90% less Electricity to maintain the humidity of the same size. In addition, this small electricity requirement can lead to significant saving in the cost of wiring, electrical Distribution boards, standby generations and even The main input transformer of the building. Energy Analysis calculations show that lower energy costs Alone, can give the customer a payback in one to two years.

HEAT EXCHANGERS PVT. LTD.

AN ISO 9001 &amp; UL CERTIFIED COMPANY

## Heat Exchanger Coils for Air-Conditioning & Refrigeration Appliances

- ❖ Most modern manufacturing facility (GOLD rated GREEN building certified by IGBC)
- ❖ International quality standards, UL certified for safety & 100% Helium Leak tested Coils
- ❖ Coils compatible for all new generation refrigerants including Natural Refrigerants, Propane (R 290) & CO<sub>2</sub> (R 744)
- ❖ 25 years of experience in Heat Exchangers manufacturing
- ❖ Wide Range of Fin Patterns using 5 mm, 7 mm & 9.52 mm tubes with & without Super slit Fins
- ❖ Also available with Aluminium Round tubes in 7 mm & 9.52 mm - Ideally suited for Transport applications
- ❖ 90% Coils exported to Europe & North America
- ❖ Recipient of Export Performance Award from EEPCC
- ❖ Excellent development support
- ❖ Quick response every time

## Message from President AIACRA

Dear Members and Friends!

I am feeling privileged to present to you the Golden Jubilee Edition of AIACRA Directory 2023. This is the 10th Edition of AIACRA Directory.

We are proud to launch this new edition of the AIACRA Member's Directory 2023, which includes data from all four regional associations of AIACRA.

Today, AIACRA, along with its regional associations, is a strong 1000+ member national level association representing the Indian Air Conditioning & Refrigeration Industry and Trade. AIACRA continues with its objective to formulate and adopt a common policy for collective action and representation to advance the interests of our members.

In tune with India being one of the fastest growing economies in the world, our Refrigeration and Air Conditioning industry is one of the highest growth industries in the country.

In 2022-23 AIACRA organized successful Stakeholder's Awareness cum Consultation physical workshops in Ludhiana, Bengaluru, Kochi and Indore, for the development of National Strategy for phase down of HFCs in association with MoEF&CC. I am so grateful to all our executive committee members who actively participated in the workshops. They all did a lot of dedicated work to make the said workshops successful. I am also thankful to the MoEF&CC team for giving this opportunity to AIACRA under the ozone cell project. AIACRA will always be with the Government of India for such service to the nation.

I am also extremely thankful to our members for their wholehearted support in providing their advertisements for the directory. We hope this new addition of the AIACRA Member's Directory will serve as a useful tool to recognize and promote the interests of our members globally.

We will continue to publish the Directory in future and shall welcome your feedback for further improvements.

My best compliments for all of you!

Best Wishes

**Rajendra Mittal**

President AIACRA

## Message From

**Dr. R K Malhotra**  
Former President AIACRA

Dear AIACRA Family,

I want to take a moment to reflect on the incredible journey we had embarked upon together.

It is with great pride and joy that I address you in this dynamic and ever-evolving industry and it fills me with immense satisfaction to see how far AIACRA have come as leading HVCA & R community in India.

Dear friends, colleagues and industry members, success is not just measured by profits and achievements, but by the positive impact we make on the lives of those around us and the broader community. Let us remain committed to ethical practices, sustainable growth, and social responsibility, for these values will be the bedrock of our lasting success.

Let us continue to learn, adapt, and grow together, shaping not only the future of our industry but also leaving a lasting legacy for generations to come.

Thank you for allowing me to be a part of your journey & Wish you all continued success and fulfilment in all your endeavours.

With warm regards,

**Dr. R K Malhotra**  
Former President AIACRA

## Message From

**Mr. Jagmit Singh**  
Director / Former President  
AIACRA

Dear Friends,

We are delighted to bring to you this latest golden jubilee edition of AIACRA Member's Directory.

The All India Air Conditioning and Refrigeration Association (AIACRA) is proud of its national and international zonal associates and partner associations. I am pleased to say that over the years AIACRA members have immensely benefitted from the continued support and efforts of all connected to our association for promoting business opportunities and to build a conducive atmosphere for the welfare of our members in the HVAC&R trade and industry.

As we know, facing new challenges makes our association increasingly important. Whether its collective representations to the government, foreign exposure, building national strategies or creating awareness and participation for transitioning to better and greener technologies, AIACRA has always taken the lead and proven successful.

This golden jubilee edition of AIACRA Member's Directory proudly marks 50 years of our association as a registered body. I thank everyone, our President, EC members and Executive Secretary for their dedicated work for compiling of this comprehensive and very useful member's data base.

With best wishes to all,

**Jagmit Singh**  
Former President  
All India Air Conditioning & Refrigeration Association  
New Delhi

### Message From

**Mr. Gulab Gulgulia**  
President RATASI/  
Vice-President AIACRA

On this remarkable day I congratulate AIACRA for the launch of Directory on your Golden Jubilee. It's a milestone which embarks your hard work and dedication for the HVAC&R industry over the years.

I am delighted that we (RATASI) are a part of your wonderful journey and can contribute to HVAC&R industry with the strong partnership between us which has grown four folds. We are thankful for your continued support and dedication in attaining the industry growth. Our best wishes to the entire team of AIACRA who are doing their job phenomenally well and are taking the extra step to counter the climate change and its adverse impact on our planet. We wish AIACRA continued success and glory today and in the years to come.

My best compliments for all of you!

Best Wishes

**Mr. Gulab Gulgulia**  
President RATASI/  
Vice-President AIACRA

### Message From

**Mr. Vikram Luthra**  
President NIRATA/  
Vice-President AIACRA

Dear Members & Friends,

It is my great pleasure and privilege to become the NIRATA President and would like to thank all our members for providing me this opportunity to serve our esteemed organisation. I have been serving the Indian HVAC&R industry from the last 20 years and would like to work more harder for the growth and betterment of our association.

It has been a very long association between NIRATA & AIACRA and we feel honoured for being a zonal part of this esteemed organisation. Together we are stream lining the working of the association by contacting various departments for the benefit of the HVAC&R industry.

I would like to congratulate AIACRA President & the Team for completing their glorious 50 years in the Trade.

My best wishes to you all and for your family and business.

Thanking you,

Sincerely yours

**Vikram Luthra**  
President, NIRATA  
Vice-President AIACRA

## Message From

**Mr. R. P. Singh**

President TCRDA/  
Vice-President AIACRA

Greetings from the Twin Cities Refrigeration Dealers Association for the launch of your Golden Jubilee Edition Directory! Your dedication & hard work have led to this remarkable achievement. We're excited to see the directory flourish and make a positive impact.

Your collaboration with the Ozone cell is a significant achievement and this will surely lead to positive outcome for smooth transition from HFC's to environment friendly business.

Congratulations & best wishes.

**Mr. R. P. Singh**

President TCRDA/  
Vice-President AIACRA

## Message From

**Mr. Navin Lamba**

President EIARA Kolkata/  
Vice President AIACRA

It is my privilege, as the President of EIARA, to be a part of the Golden Jubilee Celebrations of AIACRA. A journey that started fifty years ago, as a small step towards bringing the HVAC&R industry across the country under a unified umbrella of the association has, over the years, culminated in this vibrant and dynamic association called AIACRA.

Having been a part of AIACRA for many years now, I have had the good fortune of meeting and learning from many dynamic businessmen, charismatic members, industry doyens & stalwarts, who have been instrumental in steering their enterprises to great heights of excellence braving many turbulent times in their relentless journey for excellence.

I thank the current president, Mr. Rajendra Mittal and all the committee members of AIACRA for their valuable time and untiring efforts to ensure that AIACRA as an association is a force to reckon with.

Congratulations to you all and my best wishes for the future.

**Navin Lamba**

President - EIARA  
Vice-President AIACRA

## Message From

**Mr. Sushil Choudhury**  
Chairman ACREX India  
2024

I am very pleased to learn that the All India Air-Conditioning and Refrigeration Association (AIACRA) is bringing out a new directory of its members.

AIACRA is a partner Society of the Indian Society of Heating, Refrigerating and Air-conditioning Engineers (ISHRAE) and many ISHRAE members and their companies are members of AIACRA also. This association between the two societies goes back many years.

ACREX India is the flagship annual event of ISHRAE and is the largest exhibition of heating, ventilation, air-conditioning and building services in this part of the world. The next edition of this global show, ACREX India 2024, will be held 15-17 February 2024 at the India Expo Mart in Greater Noida. The theme of the mega show is "Powering Global HVAC Supply Chain" and focusing on the Prime Minister's vision of making India 'ATMANIRBHAR' and a global manufacturing hub.

AIACRA has always supported ACREX India by bringing in exhibitors and partners. Through this message, I cordially invite all AIACRA members to actively participate in ACREX India 2024 by booking their stalls and taking partnerships.

In closing, on behalf of the ACREX India 2024 organizing committee, I extend my best wishes to all AIACRA members and congratulate AIACRA President Mr. Rajendra Mittal on the special occasion of release of AIACRA Directory.

Sushil K. Choudhury  
Presidential Member and Fellow, ISHRAE  
Managing Director, Blowtech Air Devices Pvt. Ltd.

## Message From

**Mr. Subramaniam Srinivasan**  
Managing Director  
Spirotech Heat Exchangers Private. Ltd.  
(LU-VE GROUP)

Greetings!!

As a Patron member, I am extremely pleased to extend my heartfelt congratulations to AIACRA which has played a pivotal role in HVAC & R industry and its growth.

AIACRA's new and present 10th edition of this directory is also an important one after completing the Golden Jubilee since formation.

The industry is growing exponentially and the directory which gives the information of the details of Manufacturers, Dealers, Distributors, Contractors, and Service providers will be highly useful for all for further growth of the industry.

With this, I once again congratulate the AIACRA team for coming out with this highly informative directory.

With warm regards

**Subramaniam Srinivasan**  
Managing Director  
Spirotech Heat Exchangers Private. Ltd. (LU-VE GROUP)

## Message From

**Mr. Jasmohan Singh**  
Managing Director, Frick India Limited

**Congratulations to AIACRA for completing 50 years!**

On behalf of Frick India Limited, I would be pleased to extend my heartfelt congratulations to AIACRA for completing 50 years in Air-Conditioning and Refrigeration industries. It is a great achievement, and you should be very proud of it.

I feel that one of the reasons this association is a success is that you keep all stakeholder interests in focus and go the extra mile when needed. Many have developed many great business relationships over the years with AIACRA and all the members of this industry.

You are continuing to do a great job of making this a great network for growing this Industry in India. We look forward to many more successful years, and we thank you for all your hard work and dedication.

**Mr. Jasmohan Singh**  
Managing Director  
Frick India Limited

## Message From

**Mr. Kanwal Jeet Jawa**  
MD & CEO  
Daikin Airconditioning India Pvt. Ltd.  
(DAIPL)

Congratulations to AIACRA

On behalf of Daikin India, I am very pleased to extend my heartfelt congratulations to AIACRA for having built its global reputation and influence in the past decades and played a pivotal role in supporting the HVAC-R industry.

AIACRA has established a long term and favorable cooperation for more than two decades' and we are thankful for your help and support. We look forward to a much closer cooperation between us, going forward in improving communication between India & Japan in the HVAC-R area.

Also, we cordially invite leaders and experts from AIACRA to pay a visit to our manufacturing and R&D facilities at Neemrana, Rajasthan & Sri City, Andhra Pradesh, soon.

Best Wishes,

**K. J. Jawa**  
Chairman & Managing Director  
Daikin Air-conditioning India Pvt. Ltd.  
Board Member, Daikin Industries Limited, Japan

## Message From CAR

**Prof. MENG Qingguo**  
Executive Vice Chairman of CAR

Congratulations on AIACRA

On behalf of Chinese Association of Refrigeration (CAR), I am very pleased to extend my heartfelt congratulations to AIACRA. AIACRA has built its international reputation and influence in the past decades and played a key role in HVAC&R industry.

AIACRA and CAR has established a long-term and favorable cooperation over 20 years. We are thankful for your continuous help and support for CAR as well as for CHINA REFRIGERATION EXPO. We look forward to a much closer cooperation between us in improving communication between our two countries in HVAC&R area.

Also, we cordially invite leaders and experts from AIACRA to pay a visit to the upcoming CR 2024, which is to be held on April 8-10, BEIJING.

We send our best wishes for AIACRA!

Prof. Meng Qingguo  
Executive Vice Chairman  
Chinese Association of Refrigeration (CAR)

## Message From Kraia

**Mr. Seong-hee Gang**  
Chairman of KRAIA

Congratulations on the compilation of the Golden Jubilee Edition covering the AIACRA.

The KRAIA and AIACRA have been working closely together for more than 20 years based on trust, and the relationship has gone beyond 'friends' to 'family', helping each other to develop the refrigeration and air-conditioning industry associations in both countries. The KRAIA and AIACRA communicate in real time and work closely together, especially for ACREX organized by AIACRA and HARFKO organized by KRAIA, contributing to trade and technology exchange between the two countries.

The KRAIA recognizes the AIACRA as their most important partners, and we look forward to resuming our cooperation after a brief pause due to the pandemic and actively working together in the future.

Our industry is preparing for a new world by developing products that incorporate energy-saving technologies, renewable energy, artificial intelligence, and natural ventilation to reduce carbon emissions and increase user comfort.

The HARFKO, which will be held at KINTEX in Goyang City, South Korea, from September 25-27, 2024, will showcase new products such as ultra-fine dust-resistant air conditioning systems, cold chain systems with eco-friendly refrigerants, and high-efficiency chillers. We believe that it will be a milestone in the development of future technologies for companies around the world and lead to better industrial development. We invite AIACRA members to attend the HARFKO and look forward to your participation.

I would like to express my sincere gratitude to the AIACRA and Indian companies for their hard work and dedication for the global air conditioning and heating industry. We hope that the Golden Jubilee Edition 2023, which is being compiled this time, will make a significant contribution to the industry in the future. Thank you very much.

**Seong-hee Gang**  
Chairman KRAIA

ALL INDIA AIR-CONDITIONING & REFRIGERATION ASSOCIATION

## Message From ISKID

**Mr. Ayk Serdar Didonyan**  
Chairman of ISKID  
Istanbul

AIR CONDITIONING  
& REFRIGERATION  
MANUFACTURERS'  
ASSOCIATION

Dear Rajendra Mittal,  
President of AIACRA

ISKID has always aimed to establish close relationships with sector associations in different countries. The AIACRA (All India Air Conditioning & Refrigeration Association) is also an important industry association that we have always valued, and as a testament to this, we signed an MOU with them in 2015. For over 50 years, the AIACRA (All India Air Conditioning & Refrigeration Association) has contributed to significant developments and progress in the air conditioning and refrigeration industry in India through its activities. By undertaking these initiatives, it has expanded its membership and played a crucial role in shaping HVAC industry standards in the country.

Once again, thank you for your friendship. We share the belief that our communication will continue to thrive and strengthen. As ISKID, I would especially like to convey that we are ready to develop joint projects in closer relations with AIACRA in coming period.

Sincerely Yours,

  
Ayk Serdar DIDONYAN

# ASSOCIATION'S INFORMATION

## AIACRA

### DIRECTORY 2023

## **INCORPORATED IN 1960**

### **AIACRA IS A LEADING HVAC&R ASSOCIATION IN INDIA, AND WELL RESPECTED WORLD OVER**

All India Air Conditioning & Refrigeration Association popularly known as "AIACRA" was established in the year 1960. Mr. Ahmed A Fazalbhoj was the first President for the term 1961-63.

AIACRA has played a pivotal role at various levels for the development and growth of the Air Conditioning & Refrigeration Industry and Trade in India.

Prior to the formation of the central association, there were four zonal associations constituted at Chennai, Delhi, Kolkata and Secunderabad. These zonal associations played a major role for the growth of Air Conditioning & Refrigeration Industry and removal of restrictions or simplification of procedures adopted by various governmental departments and agencies.

As soon as the Industry found its native roots, it began sprouting quickly and a large number of entrepreneurs entered the field of Air conditioning and Refrigeration. By the close of the fifties, the Industry was in full gear and started producing various types of Refrigerators, Air Conditioners, Water Coolers, Cold Storage Machinery and Air conditioning & Refrigeration equipment used in industrial projects. Expedient measures become necessary to streamline the multifarious activities. It was then decided to have an All India Association with its head quarters at Delhi. Thus in the year 1960 AIACRA was established.

In order to meet the demands of the entire trade, commerce & industry and to render services to the constituents spread throughout the country, the Association was brought on the line of horizontal coverage consisting of Regional Organizations to cater to the zonal needs of different wings of the Trade and Industry.

Regional Associations which are associated with AIACRA are:

- I) Northern India Refrigeration and Air Conditioning Trades Association (NIRATA) at New Delhi.

ii) Refrigeration and Air Conditioning Trades Association (RATASI) -South India, at Chennai

iii) Eastern India Air Conditioning and Refrigeration Association (EIARA), at Kolkata

iv) Twin Cities Refrigeration Dealers Association (TCRDA), at Secunderabad.

AIACRA has Patron Members, Sustaining Members, Associate Members and Special Associate Members representing various industries, manufacturing companies, firms etc.

The Association and its Associates are having approximately 800 members, representing the entire cross section of this Trade, Commerce & Industry in the country.

AIACRA keeps its members informed about the latest developments in the HVAC&R Industry, expositions being held world over and also circulates overseas trade enquiries that are received from time to time. AIACRA publishes its News Letters quarterly which are also widely circulated nationally and internationally at prominent exhibitions associated with AIACRA.

#### **AIACRA: AIMS & OBJECTIVES**

- a) Arranges General Body Meetings from time to time in which interim reports of its activities are presented and a detailed review of the industry and trade as a whole is done.
- b) The Association operates through expert panels representing various sectors of the Industry. The recommendations of such panels are forwarded to the General Body for final approval and for representing to the authorities.
- c) The Association regularly arranges seminars, workshops, interaction with Ministers and Senior Government officials of both central and state governments on issues connected with the Air Conditioning and Refrigeration Industry and Trade.
- d) Arranges and provides facilities for exhibitions, demonstration, awareness and lectures from time to time to popularize the trends and developments in the industry.
- e) After seeking views and opinions and after pooling knowledge and experiences of various constituents, the Association makes representations to the Government on matters affecting or likely to affect the Industry and Trade.

f) The Association regularly circulates to its members news connected with AC&R Industry and Government Notifications / Trade Notices.

g) The Association brings out a directory of members in which detailed information about each member is given. This publication is widely circulated amongst Industry Associations and Chambers, Government Departments, Users of AC&R, Indian Consulates abroad and Foreign Missions in India, and is displayed and sold in various Exhibitions and Trade Fairs held in INDIA and OVERSEAS.

h) The Association publishes a News Letter in which activities of AIACRA and Zonal Associations are highlighted. Besides, enquires and other information and data on AC&R Industry and Trade is also published.

i) The Association regularly organizes delegations to visit Exhibitions and Trade Fairs in foreign countries like China, Thailand, Germany, Korea, Italy, Turkey, etc.

j) AIACRA brings together the opinions and views of its diverse membership into an effective public voice.

#### **NOTABLE ACHIEVEMENTS OF AIACRA**

In the tenure of its existence, the Association has earned some notable achievements to its credit as follows:

- a) It has in the past been representing to the Government against the difficulties relating to excise, customs, imports etc. and has taken active interest in getting these redressed from the authorities.
- b) It is due to the vigorous efforts made by the Association that Government has been reducing the Excise / GST and customs duties on Air conditioning and Refrigeration Equipment, Appliances and Components & Parts.
- c) It has helped in manufacturing of equipment and components that were never produced in the country before.
- d) By a forceful plea, it got Industrial Refrigeration included among 59 priority industries.
- e) It has opened venues for the development of exports and helped in the finalization of various standards of Air Conditioning and Refrigeration equipment and appliances under the aegis of Bureau of Indian Standards.

- f) It has been able to get sanctions of monetary assistance and other subsidies for export.
- g) It was largely due to the efforts of the Association that the Ministry of Industrial Development & Company Affairs decided to set up a panel for Air Conditioning & Refrigeration Industry, which was instrumental in rendering useful services to its cause.
- h) The Association has been successful in convincing the Government that Air Conditioning & Refrigeration is a necessity and plays a vital role in the national economy. This resulted in providing substantial Excise & GST relief to the Industry.
- i) Starting from a humble beginning, the Association has developed into a well coordinated and disciplined organization to link this capital-intensive sector of the economy with other branches of the engineering industries, the Government and a growing number of constituents.

In the year 2017, the association purchased its own office in New Delhi and furnished the same with all latest office equipment. The office is having a 20 seats conference room for holding Executive Committee meetings and other meetings with guests visiting AIACRA.

With time AIACRA has gained international recognition. In the year 2018 associations of Turkey, Italy and China invited delegations from AIACRA and agreed to cover travel costs and hotels for all delegates.

Most recently, the Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India through the Ozone Cell, appointed AIACRA to conduct country wide awareness programs cum workshops for the Development of National Strategy for phase down of Hydrofluorocarbons (HFCs), and to shift to non-HFCs and low global warming potential refrigerants. Under this joint project AIACRA held successful events in association with the Ozone Cell in the cities of Ludhiana, Bengaluru, Indore and Kochi from December 2022 to March 2023. AIACRA team and senior officials of the Ozone Cell, members and many special invitees actively participated to make these workshops highly successful events in the history of AIACRA.

**MEMORANDUM OF UNDERSTANDING  
BETWEEN  
ALL INDIA AIR CONDITIONING AND REFRIGERATION ASSOCIATION  
AND  
CHINESE ASSOCIATION OF REFRIGERATION**

This Memorandum of Understanding confirms the common desire of the two Organisations to maintain and develop mutual co-operation and understanding for the purpose of promoting the development of business opportunities in Airconditioning and Refrigeration Industry & Trade between INDIA and CHINA.

The ALL INDIA AIRCONDITIONING AND REFRIGERATION ASSOCIATION (AIACRA), New Delhi, INDIA and the CHINESE ASSOCIATION OF REFRIGERATION (CAR), Beijing, CHINA agree to establish and develop commercial and technology links between the Airconditioning and Refrigeration Business communities of both the countries in general and their respective members in particular, and within the scope of each Organisation's terms of reference, they undertake :

1. To promote trade relations in Airconditioning & Refrigeration field between INDIA and CHINA, and to constantly endeavour to improve cooperation between the two Organisations.
2. To assist in the organization of AC&R trade and market research missions, conferences, symposia and other trade promotional activities in each other's country.
3. To organise exhibitions, trade fairs, seminars, conference and other promotional activities to further AC&R trade relations between the two countries.
4. To create and maintain a continuing exchange of Publications, Directories, information and Statistical Data about AC&R developments and other matters affecting the trading interests of their members.
5. To identify and assist in establishing contacts between AC&R organizations and encourage reciprocal visits of official business persons.
6. To arrange visits of officials of both Organisations from time to time with a view to fostering co-operation for improved business relations and rendering better service to their respective members connected with Airconditioning & Refrigeration.
7. To assist members of both organisations desiring to enter into Joint Ventures and/or Technical Collaboration Agreements.
8. To assist members of both organisations in resolving Trade disputes, if requested by either organisation.
9. To help and assist members of both the organisations in matters of Imports and/or Exports between CHINA and INDIA.
10. For the purpose of fulfilling the Understanding, both Organisations agree to undertake joint periodic reviews at the request of either party.

This Memorandum of Understanding becomes effective on the day of signing and shall remain operative until either of the two Organisations request its termination in writing to the other Organisation at least three months in advance. Both Organisations will have the right to propose amendments, if and when they consider such amendments necessary, to improve the co-operation between them.

ON THE SEVENTH DAY OF THE MONTH OF MARCH, 2013  
ON BEHALF OF**

**ALL INDIA AIR CONDITIONING &  
REFRIGERATION ASSOCIATION  
NEW DELHI, INDIA**

  
**Jagmit Singh**  
President

**KOREA REFRIGERATION AND AIR  
CONDITIONING INDUSTRY ASSOCIATION  
SEOUL, KOREA**

  
**Jangsop Han**  
President

**Chinese Association of Refrigeration (CAR) &  
All India Air-Conditioning & Refrigeration Association (AIACRA)**

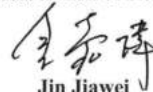

**Cooperation Relationship Agreement**

Chinese Association of Refrigeration Association (AIACRA, located in New Delhi, India) have experienced friendly cooperation and exchanges in the past years.

For the purpose of reinforce the friendly cooperation relation between the two associations, both parties agreed to revise the agreement which was signed in April 2005, and to comply with the following terms:

1. To extend the technical and trade exchange between each countries in the field of HVAC & R circles, and boost to the communications and co-operation between the two associations.
2. Both sides will participate the symposiums or conferences each side organized to exchange the technical and trade information.
3. Both party will promote and organize companies from each country to participate in exhibitions each side promoted, and to support the participating by providing convenience to each side. Both party agreed that AIACRA and CAR will continue to cooperate for CR (CAR) pavilion and participate in the future ACREX shows, AIACRA will always be involved for CR (CAR) participation and participation at ACREX will be through AIACRA as earlier, AIACRA will guaranty CAR's reservation of the show space.
4. CAR and AIACRA will exchange the publications and general information on a reciprocating basis.
5. To keep smooth communications between each parties and both parties will assign a contact person to guarantee a regular communications.
6. Both side will discover in any possible way the possibilities of exchange trade in this industry and the possibilities of cooperation or joint venture.
7. To help each other for the trade dispute settlements if any side request/
8. Help and support each others member for their import and export trade.
9. This agreement will be prepared both in English and Chinese versions, each party will have two copies, one in English and one in Chinese. This agreement will be effected from the date of signing.
10. This agreement may be terminated by either party at their written petition with a three months notice to this effect. This agreement may be renewed, modified or amended by mutual written consent from both Associations.

**Chinese Association of Refrigeration**

**Jin Jiawei**  
Vice President & Secretary General

Date: 8<sup>th</sup> April, 2011

**All India Air-Conditioning & Refrigeration  
Association Cooperation (AIACRA)**

  
**Jagmit Singh**  
President

Date: 8<sup>th</sup> April, 2011

## MEMORANDUM OF UNDERSTANDING

Between

**ALL INDIA AIR CONDITIONING AND REFRIGERATION ASSOCIATION**

**AND**

**INDIAN SOCIETY OF HEATING, REFRIGERATING AND AIR CONDITIONING ENGINEERS**

**(ISHRAE)**

### 1.0 Preamble

This Memorandum of Understanding is being signed between: India Society of Heating, Refrigerating and Air Conditioning Engineers (ISHRAE) located at K-43 Kailash Colony, New Delhi-110048, India.

And

All India Air Conditioning and Refrigeration Association (AIACRA) - Suite No. 208, PHD House, 2nd Floor, 4/2, Siri Institutional Area, August Kranti Marg, Asian Games Village, Hauz khas, New Delhi 110016

This comes into effect from the date 20th December, 2016.

### 4.0 Tenure and Termination

This MOU between AIACRA & ISHRAE shall be valid when signed by the authorized representative of both parties and shall continue until it is terminated by mutual consent or by either party at their discretion by a written thirty days' notice to this effect.

The MOU may be renewed, modified or amended only by mutual written consent from both Associations.

Rajendra Mittal

President

All India AIR Conditioning & Refrigeration Association (AIACRA)

Sachin Maheshwari

President

Indian Society of Heating Refrigerating and Air Conditioning Engineers (ISHRAE)

Note: This is a truncated version of the original.

## Partnership Of Association

Between

**All India Air-Conditioning & Refrigeration Association (AIACRA)**

**And**

**International Institute of Ammonia Refrigeration India Chapter (IIAR-India Chapter)**

### 1.0 Preamble

This Memorandum of Understanding is being signed between: All India Air-Conditioning & Refrigeration Association (AIACRA), Located at DSM-165, DLF Towers, 15 Shivaji Marg, Moti Nagar, Najafgarh Road, New Delhi-110015

And

International Institute of Ammonia Refrigeration India Chapter (IIAR-India Chapter), Located in Pune, 407, Bhakti Plaza, Bremen Chowk, Aundh, Pune, Maharashtra, India.

This POA comes into effect from the date of signing viz 4<sup>th</sup> January 2020.

### 4.5 Tenure and Termination

- This POA between IIAR-India Chapter and AIACRA shall be valid when signed by the authorized representative of both associations, and shall continue until it is terminated by mutual consent or by either party at their sole discretion by providing a written thirty days notice to this effect.
- This POA may be renewed, modified or amended only by mutual written consent from both Associations.
- Signed on this 4<sup>th</sup> day of January 2020 in the Year Two Thousand and Twenty at New Delhi.

All India Air-Conditioning and Refrigeration Association (AIACRA)

RAJENDRA MITTAL  
President AIACRA

International Institute of Ammonia Refrigeration India Chapter (IIAR-India Chapter)

SAMIR SHAH  
Regional Vice Chair India & Southern Asia

International Institute of Ammonia Refrigeration

YESEMA RECTOR, MPH, CARO  
International Director IIAR

Note: This is a truncated version of the original.

## **A-GAS<sup>®</sup>** *TOGETHER WE CAN*

A-Gas is the world leader in the supply and lifecycle management of refrigerants and associated products and services. For over 30 years, through its first-class recovery, reclamation, and repurposing processes, A-Gas has been capturing refrigerant gas for future re-use or safe destruction, preventing its harmful release into the atmosphere.

State-of-the-art gas separation technology enables A-Gas to reprocess recovered refrigerant back to equivalent virgin product standard AHRI 700, avoiding the need to produce the equivalent quantity of virgin refrigerants and, at the same time, making sure these gases are not vented or leaked into the atmosphere.

Even when there is no re-use potential, particularly prevalent for CFCs, safely recovering and returning these refrigerants for safe destruction remains vitally important. A-Gas is committed to providing end-of-life destruction services to its customers using United Nations approved, TEAP-certified A-Gas PyroPlas<sup>®</sup> technology. This technology delivers the industry's highest guaranteed and proven destruction efficiency at a minimum of 99.9999 per cent.

A-Gas' industry-leading services extend to include the lifecycle management of Halons and other clean agent fire suppressant products. From supply and laboratory analysis, through to recovery, reclamation, and disposal, A-Gas provides solutions for responsible recovery practices for the purposes of reclamation or destruction.

Contact A-Gas today to find out how we can support you in the management of used refrigerant and Halons:

## AIRCONDITIONING SPARES CENTRE

**Contact Person** : Mr Anurag Begwani

**Address** : 7, Radhika Niwas, Opp. Vishal Hall, Sir M. V. Road, Andheri (E),  
Mumbai - 400 069.

**Landline** : 022 2683 4991 /3983 /1104

**Mobile** : +91 9004301365

**Email** : anurag@accentre.in

**Website** : www.airconditioningsparescentre.com

**Business Details** : Authorized Wholesaler for EMERSON (Copeland, Dixell, Alco), Dealer : GUNTNER Refrigeration Products. Authorized Distributors for Alfa Laval Heat Exchangers, Refcom & SRM Compressors, Superflow Products. Dealers in Refrigeration & Air Conditioning Copper Tubes, Pancake Copper Coils ,LWC Copper Tubes, Refrigerants, lubricants, Insulations.

Established as a Partnership firm in the year 1991 in Mumbai, India), we "Airconditioning Spares Centre" fondly known as ASC are the one stop shop for all refrigeration needs with Ex stock availability serving the Air-conditioning & Refrigeration industry for last 3 decades, with Pan India presence.

We are the largest Authorized Wholesaler And Dealer of Emerson products, viz. Compressors, Condensing units, flow controls, Guentner Cold storage units, Alfa Laval Plate Heat exchangers Refcomp Screw compressors, Ice machines and SRMTec industrial compressors and packs for freon and ammonia.

We are also one of the largest imported and stockiest of Copper tubes ( LWC copper coil, tubes, Pancake coil etc.), Various Refrigerant Gases, compressor lubricant oils and Uniweld refrigeration tools and accessories.

We keep bulk stock of wide range of Refrigeration equipment's and accessories like axial fans, Q-motors, brazing rods, insulations etc. . We procure these products from the most trusted and renowned vendors after stringent market analysis. Further, we offer these products at reasonable rates and deliver within the minimum time-frame. we have gained a huge clientele across the nation.

## ALFA PEB LIMITED

**Website** : www.cleanroomsolutions.co.in

**Business Details**: Manufacturer Clean Room Panel/ Cold Room Panel/PufSandwichpane/Clean Room-Cold Room Door/purlins/ Decking Sheet/ Pre Painted Sheet

We are the leading Clean Room Manufacturers all over india. Alfa offers Clean Room Construction with PUF/EPS insulated Panels and caters to industry segments like Pharmaceuticals, Medical Devices, Electronics, Automobiles, Nutraceutical& Food Ingredients, Paint or Coating Booth, and R & D. At ALFA, products are manufactured at the state of the art plant at Hosur (T.N.) 40km from Bangalore. The land area is 176,000 sq. feet & the covered factory area is 120,000 sq. feet. Products that are designed and manufactured at the Hosur plant are of highest quality and standards.

ALFA has a Capacity to produce total of 2000 per/month of steel building which is one of the largest production capacities in India. Adherence to the internationally accepted engineering practices in production, planning and control helps to keep up the delivery dates, products quality and efficient implementation. At every level, that is, design, manufacture of products, erection and integration, ALFA provides better value for money to the client through superior technology.

AtALFA, we believe that quality of input makes sure of the quality of output, we use high grade tensile steels of 350 MPA from the best of manufacturers in India. Standardized processes. micro-planning and efficient human resources management help us to deliver the product on time.

## AMBER ENTERPRISES INDIA LTD

**Contact Person :** Mr. Kartar Singh

**Fax :** +91-01762-232127

**E-mail :** info@ambergroupindia.com

**Website :** www.ambergroupindia.com

**Business Details: Manufacturer Air Conditioners, Refrigerators, Water Coolers, AC Components, NON-AC Components**

Amber Enterprises India Ltd is a prominent solution provider for Air conditioner OEM/ODM Industry in India. It has a dominant presence in RACS complete unit and deals in major RAC components with 10 manufacturing facilities across India focusing in on different product segments. With expertise in components like heat exchangers, sheet metal components, injection moulding components, and system tubing and motors, Amber is strongly positioned with its backward integration to derive the core deliverable's in terms of quality, cost & delivery. We offer higher energy efficiency and expertise in indoor, outdoor, split and window AC units. We deal in AC components as well as non-AC components.

We have a Diversified Product portfolio which includes - RACS: We design and manufacture complete RACS including window air conditioners("WACS") and indoor units ("IDUS") and outdoor units ("ODUS") of split air conditioners ("SAC's) with specifications ranging from 0.75 ton to 2 tons, across energy ratings and types of refrigerant. We design and manufacture Inverter RACS too. RAC Components: We manufacture reliable functional components of RACS that includes heat exchangers, motors and multi-flow condensers with other Components such as sheet metal components, copper tubing and including plastic extrusion, vacuum forming and injection moulding processes too. Non AC Components: We manufacture components other durables and automobiles such as case liners for refrigerator, plastic extrusion sheets, sheet metal components for microwave, washing machine tub assemblies with other sheet metal and plastic injection moulding and extrusion components for automobiles and metal ceiling industries.

## AVI-OIL INDIA PVT. LTD.

**Contact Person :** Mr. Darpan Sharma (AGM-Industrial Sales)

**Address :** Logix City Center Office Tower, 12th Floor, Sector 32 Noida-201301

**Landline :** +91-120-4891700

**Fax :** +91-120-4891711

**Mobile :** +91-9871120502

**E-mail :** industrial@avi-oil.com

**Website :** www.avi-oil.com

**Business Details: Manufacturer of Aviation & Industrial Lubricants and Synthetic Esters**

AVI-OIL India [P] Ltd. is a joint venture company of Indian Oil Corporation, Balmer Lawrie & Co. and NYCO, France.

It has been established for the indigenous manufacturing of high-performance Aviation and Industrial Lubricants and Synthetic Esters. AVI-OIL has its state-of-the art plant (ISO 9001:2015 and ISO 14001:2015 certified) in Faridabad.

NYCOLUBE 7000 series is composed of synthetic lubricants based on neopolyol esters. They have been specifically designed for use in refrigeration systems working with hydrofluorocarbon (HFC) refrigerants (R134a, R404a, R407c, R410a, R507, R23...), traditional mineral oils and alkyl benzene based lubricants being not compatible with these refrigerants. Their excellent thermal and hydrolytic stability, their miscibility at low temperature with HFC and their very good lubricity deliver excellent performance levels and energy efficiency to refrigeration systems. NYCOLUBE 7000 oils are available in several viscosity grades to suit a wide range of applications.

## BITZER INDIA PVT. LTD.

**Contact Person :** Mr. Harvinder S Bhatia  
**Address :** R-708/1, TTC Industrial Area, MIDC, Rabale,  
 Navi Mumbai-400701  
**Landline :** 022-71071001/71071000  
**Mobile:** +91-9920314112  
**E-mail :** harvinder.bhatia@bitzer.in  
**Website :** www.bitzer.in

### Business Details: Manufacturer Compressors and Accessories for Refrigeration & Air-Conditioning

BITZER ranks among the leading manufacturers of refrigerant compressors. Some 3,000 employees in more than 90 countries stand behind this success. Success Story, BITZER has 82 years of experience with customers applying refrigeration compressors and units to their projects. Around India, many customers are finding the benefits of applying BITZER's highly regarded and efficient German manufactured compressors.

BITZER compressors and units are perfectly suitable for operation using the widest range of refrigerant gases and applications. With the most complete range modulation in all compression technologies, BITZER is sure to have a compression solution to fit your OEM requirements. BITZER can supply either compressors individually for your own production of units and systems, or, we can also provide the option of Condensing units, in air or water cooled as well as larger units and multiple compressor racks. BITZER have contact with many professional systems integrators that may be contacted if required to assist with the engineering integration of your plant.

BITZER will have a solution, whatever your refrigeration unit needs are in the Indian refrigeration, food processing, cold storage and chilling market. Based on one technical concept, our semi-hermetic reciprocating compressors cover the entire spectrum of applications of conventional, chlorine-free HFC as well as natural refrigerants.

They distinguish themselves by a robust valve plate design, a high quality and wear resistant

drive gear, are easy-to-service and offer goods speed control at minimum energy requirements

as well as extremely smooth running. In addition, they incorporate an efficient, suction gas cooled integrated motor. CIC are available

The semi-hermetic reciprocating compressor models Varicool, Booster and for the low temperature range with refrigerant R22.

### Business Details: Manufacturer Heating, Ventilation, Air conditioning, and Refrigeration Solutions for Residential, Industrial, and Commercial Applications

Copeland headquartered in St. Louis, Missouri (USA), is a global technology and engineering company providing innovative solutions for customers in industrial, commercial, and residential markets. Sustainability is no small ambition. That's why Copeland is built for action on a big scale. We drive innovations that make an impact not just for the planet but for the people on it. With our technology, from heating and cooling to refrigeration technology and cold chain solutions, we put Copeland at the forefront of positive change. We engineer solutions that save energy, reduce food waste and bring sustainable climate control to the masses. We go further by guiding regulations on energy efficiency and educating the industry. And with over 200 million installations, we are innovating impact that can be felt across the globe, by our generation and all those to come. We are engineered for sustainability.

In India, Copeland is a leading player in the Air conditioning, Refrigeration and Cold Chain business with its technologically advanced range of energy efficient compressors, condensing units, flow controls and electronics. These products significantly reduce the energy required to enable businesses to better control their air conditioning and refrigeration systems and lower overall energy costs. Helping serve a broad range of customers across India and overseas that includes leading OEMs in the HVACR industry. For the Cold Chain Industry, Copeland has developed integrated cold chain solutions that assist retailers in food freshness preservation, transportation, refrigeration and making it among the most preferred cold chain solution provider in the country. These are being implemented across supermarkets, retail, foodservice, food processing and transportation industries that tightly control temperatures and reduce energy usage. As the industry leader, Copeland continues to innovate and raise the bar in shaping future climate control and food preservation technologies that affect modern life. For more information visit copeland.com

## DAIKIN AIR CONDITIONING INDIA PVT. LTD.

**Contact Person:** Mr. Jyotin Bhasin

### *Business Details:*

- Air conditioners for Commercial and Residential Applications.
- Refrigeration Products & solutions for Commercial applications.

### **About Daikin Airconditioning India Pvt. Ltd. (DAIPL)**

Daikin Airconditioning India Pvt. Ltd. (DAIPL) is a 100% subsidiary of Daikin Industries Ltd., Japan, a global leader in the manufacturing of commercial-residential air conditioning systems and refrigeration products & solutions. Backed by the superior technology, the organization offers a wide range of energy efficient air conditioning & refrigeration solutions to the Indian customers. It has been successfully offering a wide spectrum of superior air conditioning solutions in the Indian market for small and large-scale projects. Robust growth is forecasted in India's air-conditioning and refrigeration market in the future and Daikin intends to further increase its market share across the Indian sub-continent.

### **Daikin India Network**

- 2 Manufacturing Facilities in Neemrana, Rajasthan
- 1 Manufacturing Facility in Sri City, Andhra Pradesh
- 2 Mechanical R&D Centers
- 1 AI - IOT R&D Center
- 1 Air-conditioning Development Centre
- 19 Centre of Excellence
- 1 DJIME
- 11 branch offices (sales & service)
- 15 resident offices
- 5 mother warehouses
- 22 supporting warehouses
- Daikin Solution Plaza (DSP) - 450+
- Channel Partners - 12,500 Plus
- Authorized Service Providers (ASP) - 700+ Plus

Daikin's manufacturing plant across Rajasthan & Andhra Pradesh aims at creating products that will make people's lives more comfortable. The local manufacturing bases are supported by a network of global production bases and showcases the application of advance technology and equipment. Our comprehensive quality control system features centrally computerized management of quality and production data to facilitate timely production that bears the stamp of excellent quality. Moreover, due care is taken to create a pleasant working environment for the employees, as we are of the firm belief that a superior working environment is essential to produce superior products. Through our quality control system and corporate activities, we ensure compliance with international quality checks and environmental management standards. We aim to serve the Indian market with locally manufactured products as much as possible. By reducing the supply lead-time and meeting market needs in terms of product specifications, Daikin India plans to dominate the Indian HVAC-R terrain.

Danfoss India, an industry leader focused on energy efficient solutions is a 100-percent owned subsidiary of Danfoss Group. Danfoss India serves a wide range of industries that rely on Danfoss products like Drives, heating valves, controls & solutions for refrigeration, air conditioning, HVAC, heavy industries, district cooling, hydraulics, fluid conveyance and under floor heating applications. Danfoss engineers technologies that enable the world of tomorrow to do more with less. Danfoss India Region is headquartered at Oragadam Chennai. Our focus is to design and innovate products for both India and outside market. Danfoss' nation-wide sales and support network is a strong network of channel partners and over 3400+ employees in India.

We deliver value to our customer as a global technology partner with global leading positions, deep application knowledge and sustainable innovation in our core business:

- **Danfoss Climate Solutions** - Sustainable heating and cooling solutions for buildings, cold chains, industry, and infrastructure.
- **Danfoss Power Electronics & Drives** - Clean-energy solutions such as AC drives, power semiconductor modules, and electrification in automotive and various industries.
- **Danfoss Power Solutions** - Full solutions capabilities in mobile and industrial hydraulics, fluid conveyance, electrification, and software solution.

**Our innovative engineering dates back to 1933. Danfoss is family-owned, employing more than 42,000 people, serving customers in more than 100 countries through a global footprint of 97 factories. We are privately owned by the founder's family. Read more about us at [www.danfoss.com](http://www.danfoss.com).**

## DESICCANT ROTORS INTERNATIONAL PVT LTD

**Contact Person :** Mr. Varun Pahwa

**Address :** Plot No 100-101, Udyog Vihar, Phase-IV, Gurugram, Haryana 122015, India

**Landline :** 91 124 4188888

The Pahwa Group is the fastest growing Adsorption Technology group in the world today.

'With Desiccant at its core, in relation to air', the Pahwa Group is a group of knowledge based and technology driven companies offering advanced environmental control solutions to a wide array of companies.

The Group is headed by Mr. Deepak Pahwa as the Group Chairman and employs a strong team of over 1500+ persons in 6 continents and has 13 manufacturing units. The core strength of all the group companies is concentrated in desiccant and desiccant-based technologies. The Group has filed 141 patents: applications worldwide on 15 new technologies, since 2007, out of which 66 patents granted / already allowed for energy smart technologies and has set up 9 state-of-the-art test labs to give the cutting edge to our R&D and product offerings. Operating within a broad framework of 'environment and energy', the group companies are involved in manufacturing products like dehumidifiers, resin dryers, product dryers, gas phase filtration systems, dry rooms critical for lithium battery production, energy recovery and fresh air treatment systems.

### THE GROUP COMPANIES

Bry-Air, the leader in dehumidification... worldwide, is a global solution provider for dehumidification and drying, gas phase filtration, plastics drying, conveying, blending & mould dehumidification, high temperature waste heat recovery and energysmart cooling using waste heat, with subsidiaries in China, Malaysia, Brazil, Nigeria and Switzerland, and an associate plant in the USA.

Bry-Air has over five decades of experience in applications, manufacturing and engineering and R&D in the field of dehumidification & environment control solutions, with several patents to its credit.

ISO 9001:2015 and ISO 14001:2015 certified, Bry-Air plants are among the most modern in the industry, supported by strong R&D & testing, computerized 3D designing, CNC fabrication, powder coating facilities and automated conveying system. Bry-Air's R&D centre is recognized by the Department of Science and Technology and is undoubtedly one of the finest in the industry. The centre is constantly engaged in state-of-the-art product development in desiccant based and fluted media technologies. Bry-Air has filed many international patents and several of them have been granted

Desiccant Dehumidification and Product Drying: Bry-Air specializes in designing and manufacturing desiccant based engineered dehumidification systems capable of handling demanding applications such as lithium-battery, pharmaceutical, food processing, semiconductor, electronic industry, turbine storage, cold storage etc.

Gas Phase Filtration: Removal of corrosive and toxic gases in data centers, server rooms and DCS rooms of IT, petrochemical, paper & pulp, waste water treatment plants through gas phase filtration.

Plastic Auxiliaries: Drying, Conveying, Blending, Heating & Cooling and Mould Dehumidification to meet the exacting needs of today's plastic processors.

### High Temperature Heat Recovery Wheel

Dry Rooms critical for Lithium Battery production

Adsorption Chiller for Energysmart Cooling using Waste Heat.

www.bryair.com

DRI is a fast growing Indian HVAC&R company with global footprints providing end to end solution for fresh air treatment and Green Buildings. The DRI product range includes Energy Recovery Ventilators (ERV) and Treated Fresh Air Units (TFA) incorporating the EcoFresh Heat Wheels for Fresh Air Treatment & IAQ, Dedicated Outdoor Air System (DOAS) - the ULTIMA Series for RH control and energy recovery, Chilled Beams for Asia and high humid areas around the globe, Evaporative Cooling Pads for Humidification / Evaporative Cooling.

DRI products and systems are maintaining IAQ in prestigious buildings all over the world: Beijing Airport, China; Infosys Technologies Limited, Pune, India, Thai Parliament, Thailand; National Theater, Malaysia; Pacific Controls, Dubai; K.E.M. Hospital, Australia; The City, Brazil; University of North Carolina Science & Media Building, USA... and many more.

### Business Details: Compressors for domestic and commercial refrigeration and Condensing Units for commercial refrigeration

Innovation is a keyword in Embraco's history. It is one of the strategies that drives refrigeration to a more sustainable future and sustains Embraco's commitment towards the excellence of its products.

Since 1971, Embraco has been a global provider of refrigeration technology for the complete residential and commercial cold chain, counting on a broad, efficient and competitive portfolio for household, food service, food retail, merchandisers and medical applications.

Its solutions are differentiated by innovation that exceeds customers' biggest expectations, through the most advanced solutions in refrigeration, delivering energy efficiency, miniaturization using less raw material, and minimum climate impact through a low GWP portfolio using natural refrigerants.

Embraco is part of Nidec Global Appliance, a Nidec Corporation's business platform with over 11 thousand employees, across 9 countries, which manufactures Embraco refrigeration solutions and Nidec motors for washing machines, dryers and dishwashers. Check the website to know more about [www.embraco.com](http://www.embraco.com).

## ENSAVIOR TECHNOLOGIES PVT. LTD.

**Contact Person :** Mr. Dinesh Semwal

**Address :** Ensavior Technologies Pvt Ltd, Plot No-17A, Block- A, Sector-19,  
Dwarka, New Delhi - 110075, INDIA

**Landline :** +91-11-47350382

**Mobile :** +91-9711154372

**E-mail :** info@ensavior.com

**Business Details:** Design, engineering, sales, maintenance & manufacturing services

Ensavior Technologies Pvt. Ltd. is a leading company in the building services industry, headquartered in New Delhi, India. Founded in 2011, the company operates on the fundamental belief that smarter and healthier buildings require high-performance engineering solutions that prioritize economic, environmental, and social sustainability.

At Ensavior, we offer a comprehensive range of services, starting from the conceptualization stage to the successful implementation of projects. With a strong commitment to excellence, we have gained a reputation for delivering top-notch quality and engineering services to our clients.

As a full-service company, Ensavior provides design, engineering, sales, maintenance, and manufacturing services. Our expertise lies in the promotion of advanced energy-saving products and systems, with a specific focus on Heating, Ventilation, and Air Conditioning (HVAC), Public Health Engineering (PHE), Indoor and Outdoor Air Quality (IAQ & OAQ), and Fire safety.

We take pride in our ability to combine state-of-the-art products with the knowledge and proficiency of our professional engineering team. Our core strength lies in providing engineering solutions that revolve around "Water and Air" related to the the Building Services Sector.

At Ensavior Technologies, we are committed to creating sustainable and intelligent buildings that not only enhance efficiency but also contribute to a healthier environment.

## FRICK INDIA LIMITED

**Contact Person :** Mr. Jasmohan Singh

**Address :** 809, Surya Kiran Building, 19 K.G.Marg, New Delhi - 110001

**Landline :** +91 011 23322 384 / 381, 23738694

**CIN No.:** L74899HR1962PLC002618

**E-mail :** delhi@frick.co.in, fbd@frick.co.in

**Website :** www.frickweb.com

**Business Details:** Industrial Refrigeration and Turnkey Solutions designed to deliver high performance and robust efficiency.

Frick India, an ISO-certified company formed in 1962, is a global leader in manufacturing and a turnkey solutions provider for all industrial refrigeration applications. Our biggest strength lies in our state-of-the-art manufacturing unit located in Delhi-NCR, backed by in-house R&D, machining, quality assurance, and automation facilities that ensure energy-efficient and reliable refrigeration systems in India and 50 other countries across the world. Our high-quality products, innovative designs, and modern manufacturing methods provide unmatched quality and reliable solutions in varied sectors, like Dairy, Seafood, Meat, Food Processing, Chemicals, Beverages, and many more.

We offer a wide range of products that include Compressors, Condensers, Chillers, Pressure Vessel, Air Cooling Units, IQF, Pumps, Air Conditioning and Refrigeration Systems, Process Gas Systems, and Vapour Absorption Systems.

The company is engaged in manufacturing Compressors, (Rotary Screw Compressor Packages, Rotary Screw Compressor Block & Packages, High Speed Reciprocating Compressors, Classic Series Compressors), Condensers (Evaporative Condensers, Shell & Tube Condensers), Frigid Coils (Stainless Steel Coils and Aluminium Fins), Packaged Chillers (Screw Chillers, Reciprocating Chillers), Liquid Re-circulation Pump, Ice Making Equipment (Flake Ice makers, Block Ice Plants), Double Contact Plate Freezers, Blast Freezers, Electrical Control Panels,

'U' Stamp Pressure Vessel, Air Cooling Units, IQF, Pumps, Air Conditioning and Refrigeration Systems, and Vapour Absorption Systems.

We are highly committed to providing our customers with outstanding products and post-installation care. Our processes and procedures ensure that our products comply with all regulatory standards.

## HICOOL ELECTRONIC INDUSTRIES

### Hicool Electronic Industries

**Contact Person :** Ramit Sehgal / Mr. Rajesh Pradhan

**Address :** Plot No: A-104, TTC Industrial Area, MIDC, Khairne,  
Navi Mumbai-400710

**Mobile :** +91-8652002825/ 9920984307

**Email :** inquiry@hicoolfans.com

**Introduction:** Hicool Electronic Industries is a leading manufacturer of high-quality fans & motors for HVAC & Refrigeration industry, also catering to diverse segments worldwide since 35 years. With a commitment to innovation, reliability, and customer satisfaction, Hicool has established itself as a trusted name in the refrigeration industry. Our comprehensive range of products and exceptional services have made us a preferred choice for businesses seeking cutting-edge air-moving solutions.

At Hicool we aim to deliver value to our customers, shareholders, and society at large by promoting environmental responsibility through our products and practices.

#### Our offerings to HVAC&R:

- Commercial Refrigeration:** We offer a wide range of air-moving solutions for commercial refrigeration, including display coolers, beverage coolers, and refrigeration systems for retail stores, restaurants, and other commercial establishments.
- Cold Storage Solutions:** Our air-moving solutions are used in cold storage solutions to ensure optimal temperature control for perishable goods, pharmaceuticals, and other temperature sensitive products. We provide customized fans & motors for cold rooms, walk-in freezers, and refrigerated containers tailored to meet specific requirements.
- Transport Refrigeration:** We offer a wide range of fans & motors which are used in transport refrigeration solutions for various industries, including logistics, pharmaceuticals, and food distribution. Our products are designed to maintain the cold chain during transportation, ensuring product integrity and quality.
- Ventilation:** We specialize in the design and manufacturing of industrial & commercial ventilation fans that effectively circulate the air & ensure the spaces are well-ventilated. Our fans are engineered for high performance, low noise, and long-lasting reliability.

#### Why Choose Hicool?

- Quality Assurance:** Our products undergo rigorous quality testing to ensure they meet international standards and regulations.
- Innovation and Technology:** Hicool is at the forefront of cooling fans technology, continuously striving to develop cutting-edge solutions for various industries.
- Customization:** We understand that each client's requirements are unique. Hence, we offer tailored solutions to match specific needs.
- Energy Efficiency:** Our focus on energy-efficient cooling solutions helps clients reduce their carbon footprint while saving on operational costs.
- Customer Support:** Hicool is committed to providing exceptional customer service, technical support, and after-sales assistance.

## ICE CENTRE OF EXCELLENCE

**Contact Person :** Mrs. Purnima Rawat

**Address :** 10, Sunder Nagar, New Delhi-110003

**Landline :** 011-41004670

**Mobile :** +91-9899862848

**E-mail :** purnima@i2iconsulting biz

**Business Details:** The solution provider for the cold chain industry. Organize educational workshops, training programs, business development and networking for their members.

We have been working towards an aim of integration and being agile we reacted to the changing needs of the cold chain industry with apt strategies each time.

Expo ICE...a project to provide a platform to address the latest issues arising in the industry and find relevant solutions. Comprising of Seminar, Exhibition and Awards.

ICE, offers a global opportunity to present product and service information to the largest concentration of public refrigerated warehouses, refrigerated logistics, refrigerated construction and refrigerated transportation. The expo is the only interactive forum offering a unique opportunity to participants to avail the benefits from the strength of the programs and quality of facilities offered.

Expo ICE has been successfully organized since 2009 in cities like - Delhi, Mumbai, Agra, Ahmedabad, Indore, Chandigarh and Chennai.

Magazine ICE-An endeavor to share knowledge on the cold chain industry and be an interactive and Informative medium.

ICE Magazine, the voice of freshness, is the pioneer magazine targeted for the cold chain industry in India. Having a readership of over 10,000 across warehouse owners, logistics and service providers, cold chain consultants, construction companies, Government organizations, Education institutes, State cold storage associations, Growers Association and the vital pharmaceutical sector of India, it is a quarterly magazine showcasing the cold chain and allied industries. Having pan India reach, the magazine is a highly recommended means of communication for the benefit of the industry.

Training Programs Additionally we are also carrying out workshops Entrepreneurship Development for Ripening Chambers, Pack-Houses, Skill Up-gradation Program for Cold Storage Operations (SUPCO), Skill Up-gradation Program for Reefer Truck Operations (SURTO) and Engineers' Training Program.

## ICE MAKE REFRIGERATION LIMITED

**Contact Person** : Mr. Sudeep Katiyar

**Address** : M/s ICE Make Refrigeration Limited,  
226, Dantali Industrial Estate, Gota-Vadisar Road, Near Ahmedabad City,  
Gandhi Nagar-382721

**Website** : www.icemakeindia.com

One of the India's leading Commercial & Industrial Refrigeration Equipment Manufacturer & Exporter ICE Make Refrigeration Limited has been successfully satisfying the needs of the valued customers, from production to after-sales service since 1993.

The company is engaged in the business of providing customized cooling solutions to diverse set of clients across wide range of industries by manufacturing and supplying high quality refrigeration products & equipment.

Ice make has state-of -the-art manufacturing facilities located in Ahmedabad (Gujarat) and Chennai (Tamil Nadu). we operate under five key business verticals which includes Cold Room, Commercial Refrigeration, Industrial Refrigeration, Transport Refrigeration and Ammonia Refrigeration.

The company caters to wide range of industries like dairy , ice cream, food procession, agriculture, pharmaceuticals, cold chain, logistics, hospitals , hospitality, retail etc.

The company operates under its own brand name "Ice Make" as well as under brand name of "Bharat" through its wholly owned subsidiary company Bharat Refrigerations Pvt. Ltd.

The company has strong pan India distribution & after-sales network of over 60 dealers and reputed customer base of over 25000 clients.

## LPR EXPORTS (ENGINE COMPONENTS) PVT. LTD.

**Contact Person** : Mr. Arun Luthra,

M/s LPR Exports (Engine Components) Pvt. Ltd. ,

**Address** : 11 KM Mile Stone Mathura Road,  
ARTONI AGRA-282007

**Mobile No.** : 9837006940 / 9837026764

**E-mail** : arunlprexports@gmail.com, lprexports@gmail.com  
info@lprexports.com

LPR is a worldwide renowned name for piston rings for a very wide application. It has the facility to produce piston rings for a varied application in an amazing wide range of sizes. Having established itself as a premium quality piston rings manufacturer LPR has come a long way in the field of engineering products. The overseas customers have all catapulted LPR into a new role to develop a series of new and critical custom made components. It has all been possible for the trust and reliability it has earned for itself.

LPR has a list of over 200 engineering products developed exclusively for its customers. The product range covers from machined parts from aluminium castings, bronze castings to cover bushes, bushings nozzles, pressure valves and misc items. Besides aluminium and bronze cast machined products there is a series of products machined from cast iron castings, ductile castings and steel bars. Most of these parts are of highly complex design involving very precise machining processes.

LPR is probably the only brand amongst worldwide Piston Ring manufacturers producing the largest range of piston rings of varied diameter sizes (30 mm to 600 mm), types, applications and critical designs employing advanced technology.

### OUR PRODUCTS RANGE

The range of engines/machines/equipments/compressors for which LPR piston rings are suitable as service/replacement part

- Piston Rings
- Air Brake Compressors
- Engine & Compressor Parts
- Air & Refrigeration Compressors
- Internal Combustion Engines
- Custom Manufacturing

## METALEX CRYOGENICS LTD.

### BUSINESS DETAILS: REFRIGERATION COMPRESSORS AND SPARES PARTS, VALVES, AMMONIA PUMP, PROCESS EQUIPMENTS, SENSOR & CONTROLS.

Metalex is a global leader in Industrial Refrigeration, Reciprocating Compressor & Project Equipments for the Cooling and Cold Chain Applications. More than five decades of a strong, customer-focused approach and the continuous quest for world-class quality have enabled it to attain and sustain leadership in the Refrigeration Compressor Industry. A complete and dedicated focus towards research and development has resulted in developing a complete range of equipment for Cold Storage, Ice Plants- Tube Ice & Block Ice, Meat Process Plant, Fisheries, Dairies, Bottling Plants and Pharma-Chem Plants and Ammonia Cooling Applications.

Metalex has an international presence, with a global spread of distributors dedicated to give exemplary after sales service and support. A thrust on manufacturing Total Quality Product(TQM) with latest CNC Machining infrastructure has seen Metalex Product acceptance grow significantly in the local & global Market. The company's businesses are backed by a well-spread marketing and servicing network, and have established a reputation for strong customer support.

Metalex cross-sector partnerships, intensive technical expertise & broad portfolio of solutions enable & empower the growing customer-base to make more sustainable choices.

The Metalex Reward Program encompasses a shared purpose, consistent longterm commitment & strong values. This enables Metalex to nurture a Company culture by which high performance global collaboration and innovation thrives.

### Business Details : Our Product List

- Air Cooled Heat Exchangers
- Condensing and Evaporating Units
- Ammonia Air Cooling Unit
- Semi-Hermetic Units
- Pillow Plates
- Dry Coolers
- DC Panel Coolers
- Heat Pump
- Specialized Coating Coils
- Water Coolers
- Fan Coil Units

Micro Coils products are designed for all commercial air conditioning and refrigeration applications across HVAC & R industry. With a state-of-the-art manufacturing plant, best-in-class raw materials and highly skilled work force. Micro Coils boasts of unmatched quality product that are made to order for every customer according to their business needs. We quickly adapt to the changing needs of our customers and work towards achieving sustainable growth.

With expertise in design and engineering, an end-to-end range of solutions and a penchant for customer service. Micro Coils provides best-in-class technology for customer worldwide. Micro Coils has customers in Middle East, USA & Europe, in addition to a fast growing market share across India & Asia.

### BRIEF OF PROJECT ON PORTABLE WELDING / BRAZING KIT.

**Introduction:** There is always requirement of light weight Portable BrazingTorch with Butane cylinders.

Ideal for on site fabrication, Plumbing, Air conditioning and Refrigeration. Where heavy gas cylinders are difficult to handle at high altitude and in defense maintenance work.

#### **Noble Industries :**

Noble Industries has developed first time in India portable Brazing / Welding torch with AL-CAN make Light weight seamless Cylinders with Butane gas and with or without oxygen cylinders.

In this Kit Both Butane cylinders and oxygen cylinders if required will be of AL-CAN make seamless Aluminum Cylinders duly approved by Explosive dept. Butane gas has working pressure of 15 Bar.

Butane Aluminum Cylinder will be min 35 Bar working pressure and test pressure 48 Bar.

Oxygen cylinder will be 150 Bar Working Pressure and 225 test pressure.

It will be available with Carry on Bag or trolley mounted.

#### **Butane welding / Oxygen Butene Welding**

Butane Gas alone can be used as fuel gas ,Butane gas has a lower flame Temperature than Acetylene but are less expensive and easier to transport , Butane Torches are more frequently used for soldering / bending and heating.

- Take it anywhere , use it anywhere
- Light weight
- Portable
- Easy to operate
- Corrosion free
- Available from 500ml (250 gm) to 5 lit (2.5 KG) Capacity in cylinder with valve, torch, Easy to Carry Bag.

## PARAMOUNT INTERCONTINENTAL PVT. LTD.

**Contact Person :** Mr. Manjul Gupta,  
**Registered office :** M-2, Industrial Area, SONEPAT-131001(Haryana)  
**Factory Address :** 56-B , Block-ED , Madhuban Chowk, Pitampura, New Delhi-11008

**Landline:** 0130-2212667 / 91-011-47060000  
**Mobile :** 9818644470

Founded in the year 1997 as a part of the Paramount Group of Industries, Paramount Intercontinental is a leading insulation material manufacturer for the HVAC, Construction, Automotive, Sports, Waterproofing, Packaging, and Medical Industry. We produce a wide range of different products to meet our customer requirements and conform to the latest standards.

Our Insulation material have been tested and approved by leading 3rd party National and International independent laboratories and government bodies for a variety of applications. Our materials are supplied in all states of India and in more than 10 countries internationally.

In the year 2003, Paramount Intercontinental spearheaded the revolution of environment-friendly chemically crosslinked closed cell Polyethylene insulation followed by the introduction of Oxide Acetate Foam for HVAC and Acoustical applications in 2016.

Based out of the industrial belt of Sonpat in Haryana, Paramount houses an enviable array of advanced technology and high-end equipment for manufacturing of innovative insulation products.

Commanding leading demand in strategic sectors like refrigeration, air-conditioning, and cold duct insulation, Paramount's range of products are built on the motto of 'Think Green, Build Green, Use Green'.

#### **Mission**

To promote energy conservation through the use of supreme quality yet cost-effective insulation solutions in residential, commercial and industrial establishment.

#### **Vision**

To preserve our position as india's most dependable manufacturer & supplier of high quality insulation products, & also as the true "insulation experts in india" by thinking green, building green & using green.

## RAPID CONTROLS PVT. LTD.

**Website :** www.sachinsimpex.com

### Business Details: Manufacturer of One Piece Diffusers, Dampers & Accessories required for Central Air conditioning system.

Sachins Impex is a vital part of the Mhatre Group, The Group was established in the year 1982 and is dedicated to manufacturing innovative products. Mr. Ramesh Mhatre, CMD of Mhatre Group of Companies, firmly believes in innovation. A technocrat, with more than three decades of experience, he has successfully introduced technologically improved products for the air conditioning industry. The establishment, nurtured over years, today has diversified business interests. By all standards, the Group commands respect in the

domestic and international markets. Sachins Impex also enjoys the reputation of being one of the renowned Export Houses in India. The company stands above the rest with its attitude and confidence in maintaining International Quality.

The company is well established in the industrial belt of New Mumbai (Bombay) with three different manufacturing units and is conveniently located within a range of 25km from the airport and seaport. The R&D department is fully equipped with the state-of-the-art CNC machines for innovation and research. In fact, it is this R&D department that is driving the company's growth beyond boundaries.

A highly skilled work force, able engineers and technically sound Directors ensure rapid production, accuracy and cost effective solutions. Sachins Impex produces a whole range of diffusers such as-One Piece Diffusers, Flat Diffusers and 3 Cone Diffusers. Products like Grills, Dampers, VCD parts and other Accessories for central air conditioning are also manufactured under stringent Quality Controls. The Group also caters to the needs of the electrical equipment industry by providing Sheet metal press components, Sub- assemblies, assemblies, press tools, dies, jigs and fixtures.

## SIDWAL REFRIGERATION INDUSTRIES PVT. LTD.

**Contact Person :** Ms. Mamta Singh

**Address :** Plot No. 23, Sector -6, Faridabad, Haryana - 121006

**Landline :** +91-011-40775500, 011 41649700

**E-mail :** mamta@sidwal.com / amit.agarwal@sidwal.com

**Website :** www.sidwal.com

SIDWAL is an ISO 9001-2015 and ISO/TS 22163:2017 (IRIS) certified company, subsidiary of Amber group, a listed organization. SIDWAL has primarily grown on account of high quality of products & services. Our motto is **"Performance, Quality, On-time Delivery and Excellent Service Support"**.

SIDWAL entered the Air-conditioning and Refrigeration Industry in 1974. Through extensive in-house research and development SIDWAL has produced excellent products acclaimed for their distinguished quality for more than 49 years. The abundant technical expertise gathered over the years puts SIDWAL in the forefront of technical innovations with the capacity to supply the most sophisticated Air-conditioning equipment for any type of application.

SIDWAL pioneered the all-indigenous development of Roof Mounted Modular Compact Air Conditioner for Rail Coaches in 1991. Since then SIDWAL has supplied more than 35,000 such AC Units duly tested and approved by Research Design & Standards Organization (RDSO), Ministry of Railways, Government of India for higher speed trains like Vande Bharat Express, Shatabdi Express, Rajdhani Express for Indian Railways.

SIDWAL has also supplied air-conditioners for the luxury prestigious tourist trains "Palace on Wheels" for Rajasthan Tourism Development Corporation (RTDC), "Deccan Odyssey and Maharaja Express."

SIDWAL pioneered the all-indigenous development of Heating Ventilation and Air Conditioning Unit for Metro Coaches in the year 2004-05 and has supplied more than 4000 HVACs for metro coaches such as Delhi Metro, Jaipur Metro, Kolkata Metro, Noida Metro, Mumbai Metro, RRTS, Bangalore Metro Phase II etc. these units are running satisfactorily in service since 2005.

### Inner Strength of the Company

- **Tested for Quality** - Every product is put through a stringent testing condition under a specially designed ambient controlled 5 fully automatic test chambers & mock up facilities in which even the harshest climatic conditions can be simulated.
- **Backward Integrated** - We manufacture majority of components viz. Cooling Coils, Condenser Coils, Blowers, Motors, PCB's, FRP moulding, Electrical Panels, in house ensuring efficient control mechanism on both quality & cost of the end products. Sidwal also operates its own fully equipped Tool Room which gives it a cutting-edge benefit over its competition.
- **In-House Designing** - One of our core strength is self-reliance in designing, engineering, prototyping, and manufacturing. The design team is well equipped and skilled with CAD & CAM software's.
- **Energy and Cost Efficient** - We develop energy and cost-efficient products which are competing with the international products in the HVAC market.
- **Expertise** - We have a pool of highly skilled resources of 32 team members be it mechanical, refrigeration system, electrical or software development.

SIDWAL products are designed using man-machine interactive type techniques. Reliability is assured with stringent testing under controlled temperature and humidity conditions in highly equipped test rooms. Best of class equipment is used for manufacture of AC Units. Through extensive research & development, SIDWAL has produced excellent products acclaimed for their distinguished quality.

SIDWAL has one of the most advanced and modern factory at Faridabad (Haryana) having young and dynamic team of engineers and technicians equipped with the latest Computer Aided Design Systems and Computer Aided Manufacturing with CNC Sheet Metal Presses, Folding Machines and Brake Presses. Cooling Coils, Condenser Coils, Blowers, Motors, PCB's, FRP moulding, Electrical Panels produced in-house provide the cutting edge benefit over the competition.

## SPIROTECH HEAT EXCHANGERS (P) LIMITED – LUVE GROUP

**Managing Director :** Mr. S. Srinivasan

**Contact Person :** Mr. Dwijesh Gautam/Mr. Yash Sharma

**Address :** 603-604, 6th Floor, DLF Courtyard Building, A-4, District Centre, Saket, New Delhi - 110017

**Landline :** +91-11-49868231/49868241 / **Fax :** +91-11-49537536

**Mobile :** +91-9001094806/+91-9001999581

**E-mail :** dwijesh.gautam@luvegroup.com, yash.sharma@luvegroup.com

**Website :** www.spirotechindia.in

Spirotech is a leading manufacturer of Fin and Tube type Condensing and Cooling coils for Air-Conditioning and Refrigeration applications. Starting with an installed capacity of 150,000 coils per annum in 1994, it has grown to a level of 5 Mn. coils per annum during the journey about 25 years.

Spirotech was the first to introduce compact coils using 7 mm tubes in India in 1996. Since then, the 7 mm Heat Exchangers had become an outstanding success in the industry and is used by almost all the HVAC manufacturers. Keeping the trend, the Company introduced Aluminum tube - Aluminum fin coils in 2012 for the first time in India and 5 mm copper coils in in the year 2013, also for the first time in India.

For a multi-dimensional growth, Spirotech became a part of LUVE Group in the year 2016. LUVE Group is a renowned name in Europe in the field of HVAC having multiple manufacturing facilities located in different parts of the globe. With its headquarters in Uboldo, Italy, LU-VE is a listed Company in Milan Stock Exchange.

Spirotech expanded its portfolio by introducing European Geometry (25 mm x 21.65 mm) in both 7mm & 9.52 mm tube diameter. Spirotech has been exporting coils for the last 2 decades and today, more than 90% of its revenue comes from exports to developed economies of Europe and North America.

Spirotech is a GOLD rated GREEN building certified by IGBC besides ISO 9001, ISO 14001, and UL certified company. With its commitment to sustainability Spirotech has commissioned 1 MW of Solar power generation for captive consumption.

In 2019, LUVE Group acquired the AHE division of Alfa Laval worldwide which is into manufacturing units for Industrial Refrigeration, Commercial Refrigeration and HVAC cooling. The production facility in India is located at Sarole, Pune.

## SRF LIMITED

**Contact Person :** Mr. Gaurav Pradeep Deshpande

**Address :** SRF Limited, Block-C, Greenwood City, Sector-45, Gurgaon-122003

**Landline :** +91-0124-4354400

**Mobile :** +91-9820341348

**E-mail :** gaurav.deshpande@srf.com

**Website:** www.srf.com

SRF Limited is a diversified chemicals conglomerate engaged in the manufacturing of industrial and specialty intermediates. The company's business portfolio covers Specialty Chemicals, Fluorochemicals, Packaging Films, Technical Textiles, Coated and Laminated Fabrics. Anchored by a strong workforce of 8,000+ employees from different nationalities working across eleven manufacturing plants in India, one each in Thailand, South Africa, and Hungary, the company exports to 90+ countries. Equipped with State-of-the-Art R&D facilities, SRF has filed 361 patents for R&D and technology so far, of which one-hundred and fourteen have been granted globally.

### SRF - Fluorochemicals Business Refrigerants

With a global distribution network, SRF offers a wide range of refrigerants suitable for different needs of HVAC (Heating, Ventilation and Air Conditioning) applications. Refrigerants are primarily used in applications such as room air-conditioners, automobile air conditioners, refrigerators, and chillers. Marketed under the FLORON® brand, SRF is the only Indian manufacturer of ozone-friendly refrigerants such as F 134a and F 32. The company also manufactures HFC blends such as F 410A and F 407C. We continue to manufacture HCFC 22 under the brand FLORON-22 for use both as a refrigerant and as a feedstock for pharma and agrochemical customers apart from producing Poly Tetra Fluoro Ethylene (PTFE). The technology to produce refrigerants F 134a and F 32 has been developed by SRF in-house. With the addition of F 125, SRF is now the largest producer and seller of refrigerants in India and has further consolidated its market leadership. SRF is one amongst the very few fully backward-integrated players in this space. This not only allows us greater control on product quality but also makes us a very competitive producer.

SRF acquired the Dymel® HFA 134a/P regulated medical pharmaceutical propellant business from DuPont™ in January 2015 and became one of the few manufacturers of Pharma grade HFA 134a/P in the world.

## TECUMSEH PRODUCTS INDIA PVT. LTD.

**Contact Person :** Mr. Pendam Venkatesh / Mr. Somesh Kumar

**Registered Office/Condensing Business Unit :** Survey No.667/P & 784/P, Kistapur Village  
Medchal-Malkajgiri District, Hyderabad- 501 401

COMPRESSORS PLANT

**Address :** 38 KM. Stone, Delhi - Mathura Road, Ballabgarh - 121 004

**Mobile :** +91-8130894442

**E-mail :** info.marketing@tecumseh.com / somesh.kumar@tecumseh.com

**Website:** www.tecumseh.com

**Business Details :** Manufacturer of hermetic reciprocating Compressors, R290 Propane compressors and Condensing Units Condensing Units, Packaged Condensing Units in Reciprocating and Scroll Technology , Units Coolers/ Evaporators , Semi-Hermetic Condensing Units, DC Powered Variable Speed Compressor , Last Mile Delivery Refrigeration Systems & Battery Thermal Management Systems for use in residential, Light Commercial & Commercial Refrigeration & specialty application like Electric Vehicles etc.

Tecumseh Products India, a subsidiary of Tecumseh Products Company LLC, is a prominent player in the refrigeration industry. The company is known for its innovative solutions, advanced technology, and reliable products.

Tecumseh India specializes in the manufacturing of hermetic reciprocating compressors, R290 propane compressors, and condensing units. These products are designed to provide efficient cooling and temperature control in various applications, including residential, light commercial, and commercial refrigeration.

The company offers a diverse range of solutions, including condensing units in reciprocating and scroll technologies, packaged condensing units, units coolers/evaporators, and semi-hermetic condensing units. These solutions cater to the specific needs of different industries and sectors, ensuring optimal performance and energy efficiency.

Tecumseh India is also at the forefront of technological advancements, offering DC powered variable speed compressors that deliver flexibility and energy savings. These compressors are widely used in air conditioners and electric hot water heaters, enhancing the convenience and comfort of consumers' lives.

In addition to its focus on traditional refrigeration applications, Tecumseh India has expanded its product range to cater to emerging markets and specialized applications. They provide solutions for last-mile delivery refrigeration systems, addressing the specific requirements of transportation and logistics. Furthermore, the company has developed battery thermal management systems for electric vehicles, contributing to the growth of the EV industry.

Tecumseh Products India is committed to delivering high-quality, reliable, and energy-efficient solutions for various industries and applications. Their dedication to innovation, performance, and customer satisfaction has positioned them as a trusted name in the refrigeration industry.

## THE REFRIGERATION HOUSE

**Contact Person :** Mr. Tejpal Singh (CEO)

Address: Ware House Address: B-66, 2nd Floor, Mayapuri Industrial Area,  
Phase-1, New Delhi-110064

**Registered Office :** 3716, Mezzanine Floor, Netaji Subhash Marg,

**Website:** <https://www.therefrigerationhouse.co.in>

The Refrigeration House has carved a niche amongst the most trusted names in this business, engaged in offering a comprehensive range of quality products since 1978.

The ownership type of our corporation is a **partnership** firm. The headquarter of our organization is located in New **Delhi, Delhi. We are** Manufacturer, Supplier, Distributor, Retailer, Importer, Exporter, Wholesaler, Trader. We export **10%** of our products to **all over the world** and we import **40%** of our products from **USA, Germany, Italy, Denmark, Singapore, China, Japan and Taiwan.**

Leveraging the skills of our qualified team of professionals, we are instrumental in **wholesaling, trading, importing and exporting** a wide range of **Fan Regulator, Spring Return Actuator, Temperature Sensor** and many more.

Our products are hugely demanded across the nation for their better quality, exclusive designs, reliability, timely execution and unique patterns. Also, we make packaging of the whole assortment using best quality packaging material, which protects them from external environment as well as retain the original value of the products. Apart from this, our assurance to customers is to make timely delivery of the orders specified by them.

### Our Product Range

Liquid Line Filter Drier  
Cooling Meter  
Temperature Transmitters  
Axial Fan  
Pressure Switch  
Air System Controller  
Pressure Gauges  
Zone Valve  
Temperature Sensor  
Y Strainers  
Sant C.I. Butterfly Valve  
Wafer Type

Mani Fold Gauge Set  
Pipe Fittings  
Fan Regulator  
AC Recovery and Charging Machines  
V-Tek Two Way Solenoid Valve  
Vacuum Pump  
Refrigerant Charging Scale  
RTD Sensor  
Refrigerator Compressor  
Rotary Refrigeration Compressor  
Programable Logic Controller for  
Automation Industry

Suction Line Accumulator  
Solenoid Coil  
Spring Bender  
Level Switch  
Variable Frequency Devices  
Voltage Stabilizer  
Air Handling Systems  
Power Module  
Differential Pressure Transmitter  
Electric CO<sub>2</sub> Sensor  
WIKI Solenoid Valve Model  
WSV-3 To WSV-10

## TROPIKAL COMFORT PVT. LTD.

**Business Details:** Direct Evaporative Cooling, Single Skin Air Washer, Double Skin Air Washer, Direct In-Direct Evaporative Cooling (Two Stage), Multi-Stage Evaporative Cooling, Industrial Dehumidifiers (I-DEH), Air Handling Units (AHU), Kitchen Scrubbers, High Volume Low Speed (HVLS) Fans, Wall & Roof Mounted Exhaust Fans, Indoor Air Quality (IAQ) Products, Air Purifiers, Evaporative Cooling Media (Honeycomb Cooling Pads)

We, at TRANQUIL CLIMATECH work tirelessly to innovate and develop new equipment for the HVAC Industry. TRANQUIL CLIMATECH is among the best in the Industry to manufacture need-based HVAC products, we are located at an hour's distance from Aurangabad, Located in Jalna, India.

Tranquil Climatech after the Technology Transfer from Ambassador Coolers Pvt Ltd has procured close to 45 Years of experience in the HVAC Industry. We at Tranquil Climatech strongly believe that for any product to be truly successful, we must meet the customer's needs with latest technology solutions.

We have developed cutting-edge technologies that makes HVAC products more efficient and sustainable. What sets us apart from others in the market is the feedback we seek from customers to ensure we improve the performance quality at all times.

As a design and engineering company, our motto is: To provide a Complete array of applied Air side products. This has led us to develop some of our most promising equipment. We have focused on building long-lasting and high-quality products that can be used with ease of operations, 100% performance satisfaction and top-notch quality to meet the industry standards.

We are leading suppliers in India and fairly large customer base for the supply of IDEC, IDEC Hybrid Machines under the banner of "Ambassador" and "AMAX" Machines including the overseas market.

## VEELINE INDUSTRIES LIMITED

**Contact Person :** Mr. Anil Kumar Gupta  
**Address :** P-65, Taratala Road, Kolkata - 700088

**E-mail :** a.k.gupta@veeline.com  
**Website:** www.veeline.com

### Business Details:

Manufacturer of Hot & Cold Water Dispensers, Water Filters and Chest Freezer etc. The Veeline journey began way back in 1989, incorporated as a humble, yet ambitious enterprise with a vision of becoming a global manufacturing and engineering company. Since then, Veeline Industries Limited (Formerly known as Veeline Media Limited) has come a long way, gaining extensive experience and excellence in engineering, manufacturing, product research & development and export - with a portfolio comprising of a wide variety of products- Chest Freezer, Visi cooler, Mini bar, Nutri blender and Water Dispensers.

Engineering Excellence lies at the heart of Veeline. Our unique business model focuses on superior quality, and on establishing and building strong relationships with our brand partners, where we work extensively to ensure that we provide products of the highest quality standards, great service and meaningful value-addition.

In our Thirty-four years of manufacturing experience, a proud achievement includes having acted for six years as the sole importer & distributor for Samsung IT media & consumable products, with over 16 branches all over India. For this, Veeline was presented the World's best distributor award in 2002-03 by Samsung Group.

Our headquarters are located in Kolkata (West Bengal) while our factories are in Nalagarh (Himachal Pradesh) Bardoli (Surat, Gujarat) and Sikandrabad (U.P). Our resources boast of state-of-the-art equipment, world-class facilities and a manufacturing approach that has great emphasis on frequent Research & Development, Cost-Effectiveness and Customer delight.

## VIRTUOSO OPTOELECTRONICS LTD.

**VIRTUOSO OPTOELECTRONICS LTD**  
**Contact Person :** Mr. Deepak Patil  
**Address :** 7, MIDC Area, Satpur, Trimbak Road, Nashik 422007, Maharashtra  
**Landline :** +91-253-2350461

**Website :** www.voepl.com

### Business Details : Manufacturer Home Appliances (Air Conditioners, Water Dispensers & LED Lights), Components and Electronics Manufacturing Services (EMS)

Virtuoso Optoelectronics Ltd (VOEPL) is an emerging manufacturer of high-volume production of Electronics Manufacturing Services (EMS) and consumer products, based in Nashik (Maharashtra).

VOEPL has multiple manufacturing locations in and around Nashik. Its core manufacturing capabilities include Electronic Manufacturing Services, Injection Moulding, Heat Exchanger Manufacturing, Coating, Pressure Die Casting etc.

VOEPL is also among the few companies selected for getting the PLI benefits under the White Goods Category as a part of the government scheme to give impetus to the Air Conditioning and LED Lighting industry.

The range of products manufactured by the company includes Electronics Circuits, Air Conditioners and its components, Water Dispensers., LED Lighting & other appliances. It offers EMS and related products to its customers as well. It serves under both original equipment manufacturers (OEM) and original design manufacturer (ODM) business models.

## WIKA INSTRUMENTS INDIA PVT. LTD.

**Contact Person :** Mr. Muneeb Ahmed

**Address :** Plot No. 40, Gat 94+100 High Cliff Industrial Estate Village Kesnand Wagholi,  
Pune, Maharashtra - 412207

**E-mail :** muneeb.ahmed@wika.com, marketing.in@wika.co.in

**Website :** www.wika.co.in

**WIKA offers a broad product range of calibrating instruments for the physical units of measurement for pressure and temperature, and for electrical measurands.**

### WIKA Group

Over the past 75 years WIKA has built a reputation as a renowned partner and competent specialist for any task in the field of measurement technology. On the basis of steadily growing efficiency, innovative technologies are applied when developing new products and system solutions. The reliability of the products and the readiness to face all challenges of the market have been the key factors for WIKA to achieve a leading position in the global market.

Within the WIKA Group, currently 10,200 employees are dedicated to maintain and improve technology in pressure, temperature, force and level measurement, and also in the fields of flow measurement, calibration and SF<sub>6</sub> gas solutions. Over 1,500 experienced employees within the sales department consult customers and users competently on a partnership basis. More than 300 engineers and technicians are searching continually to provide innovative product solutions, improved materials and profitable production methods. In close co-operation with recognised universities, institutions and industrial companies, solutions for specific applications are developed and designed.

Think global, act local: Following the founding of the first subsidiary in 1960, there are now 43 subsidiaries within the WIKA Group. These include state-of-the-art production facilities in all central markets, maintenance facilities, installation equipment and teams for additional services. WIKA is also represented around the world by numerous sales agencies. In order to offer the customers a comprehensive product range, the portfolio is constantly being expanded through strategic acquisitions.

### AIACRA MEMBERSHIP APPLICATION FORM

To,

Date:.....

#### The Secretariat,

All India Air-Conditioning & Refrigeration Association (AIACRA)

New Delhi – 110015.

Dear Sir,

I/We desire to become **ORINARY**  **PATRON**  **SUSTAINING**  **ASSOCIATE**  
 **Member of your Association.**

I / We agree to abide by the Rules and Regulations of the Association now in force and as amended or altered from time to time.

I/ We remit herewith Cheque No. \_\_\_\_\_ Bank Name \_\_\_\_\_ dated \_\_\_\_\_  
 for Rs. \_\_\_\_\_ being my/our current year's subscription including Entrance Fee of Rs.  
 1000.00. (Kindly see Subscription Schedule attached)

The name of our Proprietor (s) / Director (s) are given below:

**NAME OF THE COMPANY M/s** \_\_\_\_\_  
 \_\_\_\_\_

#### I/ We will be represented in AIACRA by:-

Name : \_\_\_\_\_ Name : \_\_\_\_\_  
 Design : \_\_\_\_\_ Design : \_\_\_\_\_  
 Tel. (O) : \_\_\_\_\_ Tel. (O) : \_\_\_\_\_  
 Tel. (R) : \_\_\_\_\_ Tel. (R) : \_\_\_\_\_  
 Mob. : \_\_\_\_\_ Mob. : \_\_\_\_\_

#### I/ We give below further particulars of my/our organization:-

##### 1. Name and Address of the Firm:

Regd./Head Office \_\_\_\_\_

Tel. No.: \_\_\_\_\_

Fax No.: \_\_\_\_\_

E-mail: \_\_\_\_\_

Website: \_\_\_\_\_

##### 2. Location of Factory

Address: \_\_\_\_\_

Tel. No.: \_\_\_\_\_

Fax No.: \_\_\_\_\_

E-mail: \_\_\_\_\_

Website: \_\_\_\_\_

3. Total Number of Employees : \_\_\_\_\_
4. Sales/Branch Offices : \_\_\_\_\_  
(with complete address & nos) \_\_\_\_\_
5. Products Manufactured/ Traded : \_\_\_\_\_  
Annual Installed Capacity (Nos) : \_\_\_\_\_  
Annual Licensed Capacity (Nos) : \_\_\_\_\_
6. Total Turnover per year in Rupees : \_\_\_\_\_
7. A) Sales Tax Number & Date : \_\_\_\_\_  
B) Permanent Account No. & GSTIN: \_\_\_\_\_
8. Any other information : \_\_\_\_\_
9. Are you a Member of : \_\_\_\_\_  
Any Zonal Association of AIACRA  
If Yes, Please Mention the Name : \_\_\_\_\_

Yours faithfully,  
(Signature and Designation)

**(FOR SECRETARIAT OFFICE USE)**

Date of Executive Committee Meeting when the Membership form placed before it and its decision \_\_\_\_\_

Reference Given By: \_\_\_\_\_

Signature of the President

Signature of the Executive Secretary

Membership Category	Annual Turnover	Annual Subscription	Admission Fee	Total
1. Ordinary Member (Zonal Associations)	Not Applicable	Rs.10,000.00	Rs.1,000.00	Rs.11,000.00
2. Patron Member	Above Rs.5 Crore	Rs.10,000.00 (USD- 185)	Rs.1,000.00 (USD 15)	Rs.11,000.00 (USD 200)
3. Sustaining Member	Above Rs.1 Crore & upto Rs.5 Crore	Rs.5,000.00	Rs.1,000.00	Rs.6,000.00
4. Associate Member	Upto Rs.1 Crore	Rs.3000.00	Rs.1,000.00	Rs.4000.00

**NOTE:** Those Companies who are member of any Zonal Associations and have paid their up-to-date Subscription to the respective Zonal Association, need not pay the Admission Fee of Rs. 1000/-

**VERMA FROST** [www.vermafrost.com](http://www.vermafrost.com)

Comfort for people - Care for Planet

**Late Shri Vinod Kumar Rekhi Ji,**  
**30-06-1951 to 29-04-2021**  
Former President AIACRA

## HUMBLE TRIBUTE

We pay tribute to the Precious Gem of AIACRA , Late Shri Vinod Kumar Rekhi Ji of Synergy Business Pvt. Ltd. Noida who lost the battle for his life due to Covid-19 Pandemic.

He was a great inspiring personality with a lot of affection. He had high regards for the profession and dedicated his life towards it. His sudden death is a big loss for our industry as well as for the association.

He was a writer and poet by heart and wanted a career in that line. His father asked him to do engineering. He did that from Punjab Engineering College and started his career in the refrigeration industry itself.

45 Years of Leadership experience in the Indian and Global HVAC&R Industry, covering different levels and verticals. His first employment was with Zenith and he soon moved to Danfoss (later renamed Indfoss) and grew the ranks through his hard work and sheer grit.

Various consulting assignments for International and Indian companies as Director with Synergy and building Pan INDIA distribution network for Hongsen and Smart products as Managing Partner of Smart Marketing.

Ten years as Managing Director and Executive Director of two different companies dealing in Compressors, Controls and instruments.

He worked closely with the refrigeration industry and build a good network within. He always looked at giving back to this community where he had grown as a professional. Hence he started working with the leading associations of the industry

Elected as president AIACRA for the years 2017-19. Previously, President of NIRATA-Regional association for two terms.

Expertise in Brand Building . Successfully launched in Indian HVAC&R industry brands like INDFOS, SYNERGY , Hongsen and SMART.

Having skill sets which are generic ,applicable to organizations across industries / verticals.

A management personnel par excellence, he was very close to a lot of stalwarts of the industry

A humorous person, he was very caring for his family and socially active. He had a close group of friends and spent quality time with them. He was also a poet and was very fond of good food.

Late Mr. Vinod Kumar Rekhi indeed one of the great personalities in this industry will always remain alive in our hearts.
