

PRESIDENT WRITES

Dear and Esteemed Members,
Greetings from AIACRA!

At the outset, I would once again thank all the esteemed Members for electing me as the President of AIACRA for the term 2013-2015.

Indeed, it is an honour and a privilege for me to lead this Association as its President, which gives me an opportunity to serve you all at the national level. I also take this opportunity to put on record my deepest sense of appreciation of the work done by the outgoing President Mr. Jagmit Singh, during his tenure of 4 years from 2009 to 2013 as also our brilliant team of Executive Members of AIACRA.

I am confident that with our joint endeavor and efforts, AIACRA would achieve the new heights of success during my tenure. I would like to focus on certain key areas of work that will help our association to move forward and grow in all aspects for the overall benefit of AIACRA & its esteemed members.

AIACRA being the supporting partner of ACREX-2014, organized ACREX India-2014 Promotion Nite along with AIACRA 42nd Annual General Body Meeting which was held on 12th September, 2013 at PHD House, New Delhi. All the senior members of ISHRAE were also present at the event and attended in large numbers by AIACRA members and guests as well.

It is my pleasure to announce that AIACRA Members have already booked space in large scale at ACREX India-2014, to be held from 27th February, 2014 to 1st March, 2014 at Pragati Maidan, New Delhi. AIACRA, as a Supporting Partner of ACREX-2014, is proud to be associated with

ACREX for the past several years.

I may mention that the 111th General Body Meeting was hosted by one of our regional association, Eastern India Airconditioning & Refrigeration Association (EIARA) at Kolkata on 11th January, 2014. I thank Mr. Navin Lamba and his team for hosting GBM of AIACRA. I also specially thank Dr. R K Malhotra, Mr. Vinod Kumar Rekhi and Mr. Ashok Mittal for all their support for making the GBM a successful event attended by over 50 members and guests of AIACRA & EIARA.

This year again, AIACRA will take its 11th delegation to 'China Refrigeration-2014' at Beijing, China in the month of April, 2014. I take this opportunity to request all the members to join AIACRA delegation and take advantage of the excellent opportunity to visit this grand international exposition on the HVAC & R industry. For further details, you may kindly contact the AIACRA Office at the earliest.

I welcome and thank all 19 new members who have joined our Association during the past five months.

I do look forward to your continued interest and cooperation in building our Association bigger and stronger in the days to come to effectively address the growing needs of our esteemed members and the industry in India.

Rajendra Mittal

MESSAGE FROM PRESIDENT EIARA, KOLKATA

Dear Friends

It is my pleasure to be writing for the AIACRA newsletter for the first time. Here onwards I intend to be in touch with you on a regular basis via this informative newsletter.

The Eastern region of India comprises of nearly seven states constituting a large market for the white goods industry. Ironically, this zone has also been the slowest in terms of growth when compared to the other regions of India. However, there are positive signals that this region is on an upward growth trend and we expect the sheer size of this region to fuel economic growth in the coming years ahead.

EIARA, the Eastern Region association has consolidated and grown its member strength in the last couple of years by incorporating new members from various towns & cities in the eastern region and we wish to continue to increase our membership strength in the coming years. Our AGM was held on the 11th

January 2014, and was well attended by the members. The interaction & the discussions between the members and the industry representatives were fruitful and we hope to provide our members of more such opportunities to improve their business relations.

The AIACRA General Body meeting was also held on the same day in Kolkata, which gave our members an opportunity to meet them and discuss their issues. This also gave our members an opportunity to interact with the visitors and discuss business matters with them. We thank the committee members of AIACRA for their support and look forward to hosting such joint meetings in the future to encourage fellowship and to foster business ties across regions so that our members may truly enjoy the business benefits that an association like AIACRA can provide.

With warm wishes

Navin Lamba
President, EIARA
