PRESIDENT WRITES

Dear Members & Friends,

On the onset, I wish everyone a very Happy and Prosperous New Year 2011. During the past six months several interesting activities have taken place in our association. AIACRA finalized its Members' Directory for the year 2011, to be launched in February at ACREX India, 2011. Our past President Mr. Rajendra Mittal was, as always, the pillar of strength behind the compilation of the new AIACRA Members Directory, 2011. Also, with his earnest efforts, AIACRA successfully booked about 1700 square meters of space at the ACREX, 2011. On behalf of AIACRA, I had the opportunity to represent some of our members in the Air Conditioning business at the Ministry of Commerce and Industries regarding their grievances on duty structure on imported equipment.

This year again AIACRA has finalized its plans and tour operator i.e. Red Carpet Tours for the delegation to China Refrigeration, 2011 to be held on 7th to 9th April, 2011 at Shanghai, China. I request all members to join the AIACRA delegation and take advantage of this excellent opportunity to visit this grand international exposition on the HVAC & R industry showcasing products from world over at Shanghai.

The tie-up with GCCA for ICE India Expo, 2010 was very beneficial to some of our members who actively exhibited their products at the ICE India Expo, 2010 held at Hotel Ashoka, New Delhi during November, 2010. The Government of India continues to offer exemptions and subsidies for the modernization and growth of the Cold Storage / Cold Chain Industry recognized as crucial infrastructure in the country. Some technical standards have already been finalized by the NHB for allocation of subsidies / funding in appropriate refrigeration technology.

The 39th Annual General Meeting of AIACRA was held at PHD House, New Delhi on 17th September, 2010 hosted by NIRATA. The event was attended in large numbers by members of AIACRA & NIRATA. The accompanying colorful pages highlight events that took place during the last six months.

It is a pleasure to announce that 14 new members have joined our association during the past six months. On behalf of the Executive Committee of AIACRA, I welcome the new members and thank all regional associations and our esteemed members for their continued support and cooperation.

With warm regards
Jagmit Singh
President, AIACRA
